ceived by Gordon Rawlins, for his 30 years of service as a driver and plant operator for Frank Lowe and Sons (see page 9).

Everyday, Frank, who is 86 and lives in a nearby retirement home, takes a turn around the yard at the back of the office, just to make sure all is running smoothly and to see his family.

Nobody could doubt that this enterprise has been his lifelong dream and is one which has been fully realised.

We can only admire Frank Lowe.
